PROFESSIONAL EXPERIENCE

LAskill: Community Manager 2026 – Present

Facebook · Instagram

Managing and engaging the LAskill online community with structured discussions, moderation workflows, and weekly engagement campaigns.

Chainindustry: Community & Social Manager 2024 – 2026

Telegram · Facebook

Managed a fast-growing tech community by creating engaging content, posts, and memes, and organising community challenges that drove user engagement.

LAOS Network: Community Moderator 2024 – 2026

Discord · Telegram

Managed both Discord and Telegram communities, created vision-aligned memes and content, coordinated the Zealy campaign, and boosted engagement through games and polls.

StaFi Protocol: Community Manager 2025

Discord · Telegram

Facilitated discussions, shared project updates, and encouraged participation, maintaining an active, welcoming, and engaging community.

Dinari: OG Member 2024 – 2025

Discord

Earned the OG role through consistent engagement: welcoming new members, sharing project information, and keeping the community active.

Dexari: OG Member & Early Tester 2024 – 2025

Discord · Telegram

Active community contributor, early tester of the Dexari trading app providing product feedback, and participant in community competitions.

Syntetika: OG Member 2024 – 2025

Discord

Joined at early launch; engaged the community, shared project updates, and helped create awareness around regulated investment strategies on-chain.
